

Please take action immediately to prevent Sinclair Broadcasting from forcing its stations to run an anti-Kerry hit piece close to Election Day. It is against your rules for that to happen, and those rules should be enforced.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
